KINGSMEN BOX LACROSSE CLUB

Played from Dec-February, box lacrosse is a variant of lacrosse played indoors on a smaller, enclosed playing area. It typically involves teams of six players, including a goalie, and emphasizes quick decision-making, tight stick skills, physical play, and fast-paced action.

The season includes 10 practices, 2 one day tournaments, and a minimum of 5 outdoor games.

RIOT SELECT TEAMS

After an open tryout, our goal is to offer Riot Select Team players an exceptional winter experience, allowing them to compete against top-tier teams nationwide.

Additionally, we aim to foster lasting friendships and create memories that we hope will endure a lifetime.

RIOT WORLD SERIES U13 TEAM

Our team will join the top U13 lacrosse teams from across the country along with a select group of international teams to compete at their respective qualifying tournaments for a chance to be crowned at the Lacrosse World Series Championship.
